STELA 117 | *Royal Denship*

STELA 117 is a Denship 86', built in 2011 and refitted in 2024. Based in Lefkada of Greece, she is perfect for weekly charters to explore the Ionian Islands.

Her modern design, featuring a Jacuzzi on the flybridge and spacious outdoor areas, creates the ideal setting for relaxing moments at sea. Whether you prefer sun or shade, STELA 117 offers a perfect balance for every guest.

She features 4 beautifully appointed cabins, comfortably accommodating 8 to 10 guests.

A dedicated crew of 4 is on board to provide exceptional, personalized service throughout your journey.

Cruising at a comfortable speed of 12 knots, STELA 117 offers the perfect opportunity to discover the hidden gems of the Ionian Sea, in absolute comfort and elegance.
